Dear Miss Gilpin:

In checking our exhibition schedule, I find that we appear to have had no correspondence since my letter of May 13 concerning our exhibition of your photographs, THE ENDURING NAVAHO.

We are still holding open the month of November here, not having received word to the contrary. We hope this remains convenient to you.

Since we shall be faced with a somewhat awkward hole in our schedule if the photographs are not available, confirmation of the November booking will be appreciated. Thank you.

Sincerely,

R. L. Shalkop
