Dear Miss Gilpin:

Before I leave for the remainder of the week to attend the annual Western Association of Art Museums meetings in Oakland, California, I want to let you know that we have set a definite date for the opening of your show.

The preceding exhibition in this gallery, part of the Adolf Dehn retrospective, will come down on November 3. Our annual membership meeting will be the evening of November 5, and we plan to open your show at that time, with the public opening the following morning.

I assume that Mrs. Udall has approved your plans and that we can count upon the Indian photographs, with some larger views from the Navaho group. If there is any further complication, Fred will be back here on Thursday, October 23. We look forward to seeing you about the first of November.

Sincerely,

R. L. Shalkop
