Dear Miss Gilpin:

Glad I can send you a sales report even though it is small. It is a reprint in an art book of MD Magazine, and we settled for two-thirds of the original fee of \$100.00. This covers the U.S. edition only. Should there be a foreign edition, we shall let you know and send you additional payment.

It has been a long time since we got any colors from you. I hope you are as busy as ever and it would be nice to see a shipment of your recent pictures.

Sincerely,

Robert F. Shostal
