Maryanne Dumas

Dear Maryanne - I had the pleasure of
knowing him for over half a century.
Personally, I enjoyed seeing
you exhibit a photograph of the
Rio Grande for the first time.
They were
very
sincerely,

Dear Miss Gilpin

You may recall that we met
early last June at a tea given
by Maryann Lunt and I remember
well our interesting conversation
regarding your forthcoming book
on the Navajos, which I believe
was to be published either

late last year or early this.

Would it be possible for me to procure a copy, autographed by you and Popoveda (not sure of the spelling of his name but we met several times at San Idelfonso). I know I could purchase the book - but it would not have the personal memories.

I have no idea the price of the book but I'll send my check as soon as you let me know.

I think of Santa Fe in happiness and sadness for Lawrence's death leaves a void.
