Miss Laura Gilpin
409 Camino del Monte Sol
Santa Fe, New Mexico

Dear Laura:

I just returned from Santa Fe, where I had a brief conversation with Jim McGrath and learned of the loss of your photographs. Such a tragedy -- I know you must be miserably upset and can only hope that they are recovered. Please let us know if there is anything we can do in terms of applying more pressure on the airline concerned -- if you think it would do any good.

We would, of course, be pleased to lend our collection for any purpose you wish. I asked Jim to tell you this. Would loved to have seen you while in Santa Fe, but I spent only two days there and worked continually with Jack Loeffler and Alan Kite preparing Foundation grant requests to make possible the continuation of our educational programs in Indian schools.

Please give Miss Forster my best wishes - and a vicarious kiss on the top of her dear head.

And with all good wishes and much affection to you,

LEE UDALL
