Dear Laura:

Enclosed is the review I did for the Monterey Herald. Sort of a dumb paper, I didn't really get a chance to do much more than try to sell a few books...

I have not heard anything of a definite nature from U.of N.M. press about the Rio Grande book, though of course they really want to do it. They are having some kind of flap about the budget and things, but have promised me they intend to do your book and as soon as they iron out some of their problems they will get in touch with me (or maybe directly with you).

So that's where we are at the moment. I hope all is going well with you, and with Betsy.

Warmest good wishes,

Bill Webb
