

St. John's College SANTA FE, NEW MEXICO 87501

December 7, 1969

Dear Laura:

As 1969 draws to a close, my thoughts turn back to the unusually successful series of Book & Author Luncheons which our library committee sponsored. I welcome the opportunity to write and express once again the College's deep appreciation for your participation in the October luncheon. You gave great pleasure to many people from the Santa Fe community and to many of us in the College.

I hope that you will come to the College as often as you can, use our library and our bookstore, and attend lectures, concerts and Saturday night movies. You are always welcome here.

I send best wishes to you for the Holiday Season.

Most sincerely,

Richard D. Weigle
President
