Dear Miss Gilpin:

Thanks for your nice letter. It was nice to have you with us, and Robin and I very much enjoyed the nice visit, as did Margaret. We were particularly pleased that you were able to stay over for a visit to the Art Center and another visit to the Cowboy Hall of Fame.

I talked with the people at the Cowboy Hall of Fame about your photographic show and they are definitely interested, but have the galleries committed for several months. They hope to be able to schedule in the Navajo photographs, particularly because of the Western Heritage Awards tie-in.

Jim Boren, who has been assistant director and head of the art department of the institution, has recently left, and thus, at the present time, Dean Krakel is the man to work it out. I am sending copies of your letter as well as my response to Dean, and I'm sure he will be back in touch with you, hopefully to work out a display for the fall season.

Again, it was a real pleasure, and I'll look forward to seeing you, possibly on the day your pictures go on display for the first time here.

Sincerely yours,

Pendleton Woods
