Dear Mrs. Gilpin:

I have had a request for one of your photographs from one of the Scout Executives taking training here. The photo that he wants is on pages 62 and 63 of THE ENDURING NAVAJO, and he would like a 11 x 14 print. Before ordering, he would like to know the price. Can you send me that information?

I am sorry to report that we have sold few copies of your book, only 4 or 5 in all. The photographs, however have "made" our exhibit, and have been commented on by most of our visitors.

Again many thanks for lending them to us.

Sincerely,

Kent M. Bush
