Dear Miss Gilpin:

We have received the two photographs of Maria and Julian Martinez, and they are indeed lovely.

There appears to be some misunderstanding about the cost of the photographs. We are enclosing a copy of Mrs. Toulouse's letter regarding the pictures and quoting a price of \$5.00 each for the 8 x 10 size.

We are delighted with the photographs and we do want to be reasonable. They are to be used for a temporary exhibit, and like many museums we are often plagued by budget problems. Had we known what the actual charge would be I'm afraid we would have had to have planned to do the exhibit without the photographs.

Please let us know if any adjustment can be made in the cost of the two photographs.

Sincerely,

Mary S. Carnahan

I would like very much to see the photographs and slides when they are available. I would like permission to show them to Po and possibly Maria if she would be interested in seeing them. We may learn something from them.

The Indian Arts Fund and the School of American Research do not have the pictures you desire but Miss Laura Gilpin could supply your needs very well. She has one full length picture of Julian and many pictures of Maria. With your permission she could select one that would display nicely with the one of Julian.

An 8 x 10 matte finish suitable for an exhibit would cost \$5.00 each. Other sizes would be priced accordingly. If you would like to tell me what you want I would be happy to get the information to Miss Gilpin and help her make a selection which would enhance your exhibit.

Sincerely,

Betty Toulouse
