Dear Laura:

For my collection I would like to purchase 8x10 inch prints of El Santuario de Chimayo (page 110 in The Rio Grande) and George Lopez (page 117 in The Rio Grande).

Thank you very much and thank you for sharing your special knowledge of process~~es~~ with our students and faculty.

I will be in Santa Fe for a meeting of the Folk Art Board in late April. I will call at that time and see if you have had a chance to make these prints.

Sincerely,

Van Deren Coke
