Dear Miss Gilpin:

On behalf of the members, officers and trustees of The Friends of Photography, I would like to thank you for your Membership, enthusiasm and support of this organization. The enclosed membership card will be of value to you at those functions which are free to members but not to non-members and will admit you at reduced cost on those occasions when a fee will be charged.

We feel we have a dedicated new approach to the better growth and appreciation of Photography as the most expressive medium of our time. You will receive advance notice of our programs and projects. Should you have any questions, suggestions, or criticism, we urge you to submit them. In addition we welcome your active participation in any useful capacity.

Sincerely yours,

Treasurer
