Dear Miss Gilpin:

At the meeting of the Board of Directors on Monday, December 7, the members voted to extend an honorarium in the amount of \$50.00 to you for presentation of your delightful program at our membership meeting in November.

We appreciate so much your being with us and feel fortunate that you would extend to our membership the privilege of visiting with you; everyone was so pleased. Kindly accept our enclosed check.

With our very best wishes to you for a Happy Holiday Season,

Sincerely,
