Miss Laura Gilpin
409 Camino Del Monte Sol
Santa Fe, New Mexico 87501

Dear Miss Gilpin:

Our records indicate that the anniversary date of your membership is December 18th. During the past year your interest and support has contributed much to encourage us in the advancement of the project of the Friends of Photography.

May we, then, count on your continued support and encouragement? You will, I am sure, find much of personal reward to you now and in the future. Portfolio II is being distributed with a membership copy to each member. The News Letter will continue to contain matters of interest and keep you informed of events planned and programmed. We look forward to an active year in 1971; a major event will be a Membership Exhibit planned for mid-year.

And as this year draws to a close, we once again find the holiday season approaching with the thought of Christmas and remembrances for relatives and friends. For those among them who may also be interested in fine photography, would not a gift membership in Friends of Photography be most appropriate and appreciated? Especially so, since applications presented and accepted by the twenty-fifth of December will insure receipt of a copy of Portfolio II, a very thoughtful remembrance.

For your convenience, application cards are enclosed. Please plainly indicate any gift membership, and, if desired, enclose a gift or greeting card to be forwarded with Portfolio II.

Dues and contributions remain tax-exempt as before.

Very sincerely,

E. C. Forsyth

Enclosure
