Mr. Fred Bartlett,
Colorado Springs Fine Arts Center
Colorado Springs, Colorado

Dear Fred:-

At last you will be relieved of my show! A station wagon from the Institute of American Indian Art is going up to Boulder this coming Sunday, and will be returning either Tuesday or Wednesday of next week. They will call for the show. A Mrs. Harding, a faculty member, and two students will be in the car. I trust that there will be room enough etc. If for any reason either you or Mr. Shalkp have any doubts, please call me collect and Perhaps I can make it up soon. I would rather come when I can stay a little while, and I cant do that right now.

Again my thanks and appreciation for your having the show, and with my best wishes to all

Sincerely,

P.O. I have a lot of early Art Center and Broadmoor Art Academy negatives on my work table and hope to send you some prints before long. Did Wallie Goodwin send you the dates you wanted for the plaque for Betty Haré? I called him right after I got home last fall.
