Dear Miss Grider:-

Thank you very much for your letter and the kind things to say about my ENDURING NAVAHO. Ofcourse I am most pleased that you like the book. It was a project that I have enjoyed more than I can say even though I was so long in completing it. The Navaho are wonderful people and it pleases me more than I can say when my book strikes a response.

Yes indeed, I I can make you the print you indicate. The originalXnegative is an 8x10. Prints of exhibition quality are 8x10, \$25. : 11x14, 35.: or I could make a big one if you wish it 16x20 at \$50.

I wish you could have seen my show at the Amon Carter Museum in Fort Worth at the time of the publication of the book in Dec. of 68.

Thanking you for your inquiry and with best wishes,

Sincerely yours,
