Dear Mr. Hill:-

Thank you for your letter and copy of the Rough Rock News. It is great that the boys are doing this and I am delighted to know about it.

It was fun to have a stream of boys come in. I am not sure that Miss Forster quite took it all in, for alas, she is losing her quickness. She always used to respond with the greatest agility. However, I did get a big kick out of our visit. The copy of the News containing the account of your trip was lots of fun. Please congratulate the boys for me for their excellent pictures and incidentally you for your part of it.

If you still have any extra copies, I would very much like to have two more. I know that Mr. Wardlaw of the U. of Texas Press will be most interested to see a copy. And I would like an extra. I enclose some air mail stamps which I hope will cover costs and postage.

Whenever you come this way again, please stop by. I do want to know more about the school and the work you are doing there. Perhaps I will be able to get over before long, and will make a point to get to Rough Rock.

My greetings to the boys and many thanks to you

Most sincerely

JOHN C. HILL
