Dear Mr. Powell:-

I am very glad that my account has at last been straightened out. I am enclosing my check for \$123.37 to complete my 1969 account.

However, I have never heard anything further about the lost refund check for \$139.00. I have written several times about it and sent in a form which I had filled out. Ever since last April when I discovered that the check had never been received. I do hope that this also can be settled at an early date. My letters to you regarding this are dated Apr. 14, Aug. Aug. 11, Aug. 28, and Aug 31. And in addition a letter to Washington to the office regarding such a loss on Aug. 31.

So I hope we can get all this straightened out soon.

Very truly yours,
