NAVAHO MADONNA
Photograph by Laura Gilpin

Dear Laura:

Last May Clay and I were
in Santa Fe and heard you
were there, even though we
didn't see you. We were re-
minded of the time we went
with you, Betsey and Mitch Wilder,
and the Sid Seallings to photo-
graph and observe morada
in Cordoba, N.M. and elsewhere.
I'm still at Dartmouth. If you
find time to write, please do.
Warm best wishes from us. Jim
