Dear Dr. Gilpin:

It was a most pleasant surprise, upon my return from Washington the other day, to find a copy of your beautiful book. Thank you very much - I will long treasure it.

I was very happy about the degree given to you, and to my longtime colleague William Morgan, as well.

Thank you for the invitation to drop around to see you when I am in Santa Fe. I shall do so at the first opportunity (provided I can find the address again!). If you ever come to Albuquerque, I'd be delighted to see you - We could even have lunch together and hope that this time someone does not assassinate the President.

Thanks again for the book -

Best regards -
Robert Young
