Dear Miss Gilpin
Your beautiful photographs
arrived safely. The director
of the Princeton University Museum
was visiting us and he was
so excited about the view of
the stairway of the Castillo that
I was persuaded to give it
to the museum for its
collection!

When you have time, could
you print another one for
me? I hope you are well
and enjoying the desert spring.
Mr. Ault tells me that St.
John is arranging an exhibition
of your work. That is nice. Do let
me know if there is anything I can
do for you from this end. We

books finally arrived from the
university press after much delay.
With all best wishes, I am

Sincerely

W. Howard Adams
