Dear Miss Lifpin:

I want you to know what a great experience it was for me to have the opportunity of seeing your photographic exhibition while in Santa Fe. It is simply magnificent. You must surely be proud of such an accomplishment.

And I am especially grateful to you for taking your time to show it to me.

I would like very much to have a copy of your book "The Enduring Navaho". I am taking the liberty of enclosing a check. If you could see that the book gets into the hands of Dovy Jones, he could handle the task.

of mailing it to me.

One thing more. If you wouldn't mind, I would like very much to have your autograph on the book. It would be a reminder to me of having the pleasure of meeting you.

Very best wishes,
Harold Emerson
