Dear Miss Gilpin:

Enclosed please find the transparency of the Kachina Doll from the Pansy Stockton Collection which you sent us for use in The World Book Encyclopedia. We are pleased to have included this Kachina in the Indian article (page 138b) and have enclosed a copy of the article for your records. We hope you will be pleased with this article and with the quality of reproduction.

The editors and artists join me in thanking you for your very kind assistance.

Sincerely yours,

(Miss) Ann Eriksen
