Dear Mr. Bush:-

A whole year has gone by since I made
my first request for the return of my photographs.
I needed these badly last fall and I have been ex-
pecting you to return these long since.

Please may I have your check for the use of the
photographs for exhibit as we agreed on March 16, 1970.
You have now had them for exhibit for two summers and
I do need them back.

Trusting to hear from you soon, I am
