Dear Anita:

On behalf of the Indian Arts Fund, I wish to thank you most deeply for your wonderful and generous gift to our organization in the form of the three pieces of pottery which you brought to me. I had personally been discussing these pieces with Popovi Da several months ago and we have been hoping very much indeed that we could add these to the collection.

At first we wanted the pieces of Maria's as a memorial to Dr. Kenneth Chapman. The addition of the two other pieces will be named as a memorial to Popovi. For the time being, the pieces are in the vault with our very special items, where they will be kept safely until the time comes for their display. The numbers you have given me on these items are , and .

I know that I speak for the entire organization in sending you our profound thanks.

Most sincerely yours,

Laura Gilpin, Secretary
