Dear Mrs. Horst:

It was very kind indeed of you to write me such a nice letter, and I appreciate it very much. Of course, it is very gratifying to an author-photographer to get such an appreciative letter from so far away. I am pleased also that the book was in the library in Leiden.

I am interested to know that you have been here in the Southwest and that have such an interest in the Indian people. Changes are coming very fast now, and I think even since you were here, you would be surprised.

If you do come to Santa Fe on your trip to this country this year, I do hope that you will look me up. It would be a great pleasure to see you and to have a talk with you. Please let me know a little in advance, as I may be away for short periods of time both in July and August.

Very truly yours,

Laura Gilpin
