Mr. Roger Manley,  
Philmont,  
Cimarron N.M.

Dear Roger:-

Thank you very much for such a nice letter. I feel very honored to have you put my work along side of Ansel's and Westons. I hope some of my best belongs there.

You certainly have the right attitude toward photography and if you work hard you will achieve your desires.

I am pleased that you like the two Navaho prints you mention. Yest I have or can make prints of these. Unfortunately these two are among the very few negatives of mine that have suffered from being moved about, being in storage etc. But I can spot out the blemishes so they are barely visible. I do have one good old print (about 1940) 11x14 of Lilly Benally, possibly one 8x10 (contact) glossy. My prices vary abt depending on the difficulty of printing. Usually I get \$25. on 8x10s and 35 on 11x14s. \$50. on 16x20s.

If you are ever in Santa Fe, do drop by to see me, and we can have a good talk about photography. In the mean time good luck, good shooting and let me see what you are doing.

Sincerely
