Dear Mr. Rittenhouse:

Thank you very much for your letter regarding a print of the Santa Fe Trail. I shall send you a print next week, as soon as I can make it.

I have permission to use these negatives, of course, as I made them for the National Park Service.

I am pleased that you want this print. Although I usually get a little more on published work, I will supply the print at your figure.

Very truly yours,

Laura Gilpin
