Dear Doctor Tuthill:

Thank you so very much for your nice letter. I am sorry I was so long in getting the print off to you, but I am glad to know that it arrived safely. It was a great pleasure to me to meet all of you, and I know you enjoyed your work on the Reservation.

I -shall look for the people you mentioned who may drop by some day. I know a number of Begays on the Reservation but I don;t think I know Harvey. In any event, I always enjoy Indian visitors.

I have a feeling that things are going to change on the Reservation under the new chairman of the Tribal Council, and I hope very much for the better.

With best wishes to all of you.

Sincerely,

Laura Gilpin
