Re: Policy Holder No. 670,282,212

Dear Mr. Wazry:

I am extremely sorry that one of my policies with you had lapsed. This was quite unintentional, and I thought at the time that the check that I sent you would reach you within the grace period—apparently it did not. I hope this policy can be put back in force, as I have no intention of giving it up.

Your new agent from Albuquerque was here two days ago and I took out this new policy with him. He seemed to think that there would be no doubt about the reinstatement of policy no. 670,282,212.

I must get myself straightened out on these different policies so that I know where I stand with them. Let me assure you that I have appreciated your services and that I wish to continue with everything. If it necessary to send me any further information or if I must sign for having allowed this to lapse, I would appreciate very much hearing from you at once.

I am returning the check made out to you in January. I trust that I can square this all away immediately.

Very truly yours,

Laura Gilpin
