Dear Miss Gilpin:

We are currently selecting photographs for our 1971 calendar. This year, unlike in the past, we are using all new photographs. In order to have state-wide representation, we are inviting you to submit calendar-grade transparencies for consideration.

The fee, for one-time use, is \$30. You may submit up to 25 transparencies. Deadline for submissions is May 26. We are interested only in New Mexico subjects. Selection should be state-wide and include cities as well as rural, natural wonders, etc. We will accept 35 mm through 4 x 5 transparencies. Composition should be vertical. All transparencies will be returned by registered mail in mid-June with the exception of those selected for the calendar, which will be returned in late July after separations have been made.

Here is an excellent opportunity for your work to appear in the widely distributed official New Mexico calendar. We hope you will respond to our invitation.

Sincerely,

  
Kenneth W. Hardy  
Managing Editor

P.s. We're still very much interested in the retrospective and will be in touch shortly.
