

Sept 14-71

Dear Miss. Gilpin:

Are you Laura Gilpin who
once lived in Baltimore, Maryland
in 1923 - etc. - ?

I read with interest the article
in the Christian Science Monitor - and
the name struck me. Could this
be Laura Gilpin - Boige & I knew
and who were close friends - Boige
was Danis Jennings' nephew -
we all went to the first
Church of Christ Scientist - and
your Dad was professor -
Dr. Gilpin of Johns Hopkins
University there - as far as

I remember you went to
England - to teach -

You are a great artist
Miss Wilson -

Sincerely,

Gudrun Heede
