Dear Miss Gilpin:

Thank you for your very nice letter. How wonderful you are Laura's cousin. I surely will write to her, have often thought of her through the years.

Miss Gilpin you are a most interesting person - it must be a lot of work behind such achievement as your Library of Photographs. My nephew Carl Larson in Batto, Ind. is a photographer, as is my young nephew

Asle Johansen in Oslo, NORWAY.
He was selected to be chief of the
Edward Munch Museum there, for
14 months, to photograph, research, and
catalogue E. M. paintings. The Royal
Theatre in Oslo bought 30 of his (Asle's)
pictures (nature-scenes) for background.
It is just 21 - and like the Norwe-
gians, love a line with the beauty of
nature. So you know I appreci-
ate your work Miss Silpin.

Yes - I know the trans-
lator knowingly would not print error.
The writer should have been in-
formed.

My very best to you,

Gudrun Heide
