Dear Mrs. Gilpin:

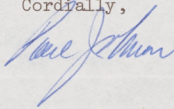

When I was in Santa Fe a couple of months ago, I had the pleasure of visiting with you and discussing the projected Sunset pictorial on the Southwest. Many of the questions that were unresolved then have been solved and I am under way on the final stages of the book.

I would like to order a reproduction-quality print of your aerial of Fort Union. Since it might be reproduced in the book as a spread, I suppose an 11x14 would be preferable to an 8x10. Please bill for printing costs, if that is your custom. Reproduction fee would be ASMP.

You mentioned that you were going to Taos to do some photographing. Did you come up with any unusual prints that would be of general interest? If so, I would certainly like to see contacts or proof prints, whichever you prefer.

I will look forward to hearing from you.

Cordially,

/r
