Dear Laura:

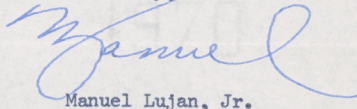

Thank you for taking the time to urge my
opposition to further funding for the SST.

I am sure you will be happy to know that
the House of Representatives voted against more
federal money for this project, and that I cast
my ballot with the majority.

This was an extremely difficult vote as
there were good arguments on both sides of the
question.

I appreciate your taking the time to
share your views, and if I can be of assistance
in the future, don't hesitate to call on me.

Sincerely,

Manuel Lujan, Jr.
