Dear Mrs. Gilpin:

I am writing to you about a transaction that was made while I was in training at Philmont last October, 1970.

While at the Seton Museum, I saw your photos and the book, and in talking with Kent Bush I learned that prints could be ordered. He told me the price for 8 by 10's was \$35 and that he would handle the ordering and have you send the print directly to me.

The check was dated October 30, 1970 and cleared my account December 10, 1970. If it is necessary to send you a photocopy of the check, I will be happy to do so. I fully expected the print to arrive anytime. Then I thought that it had been delayed by the Christmas mail. Now I think that it must have gone astray somewhere. Could I please hear from you about this?

I am most anxious to have one of your photos as I have been aware of your work since I studied photography under Art Sinsabaugh at the University of Illinois. He was very fond of your work.

Thank you so much for the trouble that this will no doubt cause you.

Sincerely,

Jerry W. Stevens
