Santa Fe, New Mexico 87501

Dear Miss Gilpin:

We are continuing work on the Big Bend project that we wrote you about several months ago. Now we are cooperating with the National Park Service and their contribution to the effort will be a slide show. They need to get 35 mm. slides of the pictures that are available for use, so their designer can proceed with the project. My question is, what would be the best way to get slides of the material we selected from the prints you send us? Shall we make them here (we have a copy machine that minimizes the work)? Do you want to make them? Or, shall we send them to the National Park Service and let them make them? We have selected three of the large prints and about sixteen of the 8" x 10" prints that we would like to get slides of.

I think your pictures of the border area are very descriptive and enjoyed looking at them. I am sure they will contribute measurably to our exhibition, which at the present time, is scheduled for late 1972.

Sincerely yours,

Ronnie C. Tyler  
Curator of History
