Miss Gilpin -

Thank you for including me to your Wednesday evening reception for Mrs. Barbara Morgan. I have never been so inspired by anyone so vital as she. Mrs. Morgan's art is as sensitive to me as Mrs. Graham's. We must do all we can to bring an exhibition of her work to the Institute. Not only her work, but Mrs. Morgan, personally to talk to the students ^{and} staff of the Institute.

I also hope that next fall, or during the school year, I could ask you to do a lecture with slides ^{and} photos of the ^{old} Mexico area. I believe you mentioned a book on "Yucatan."

Please extend my deep feelings to Mrs. Morgan when you write - and again thank you for a tremendous experience.

Sincerely - Juan Valenzuela
