Dear Miss Gilpin:

Thank you for your letter of January 14, 1971.

A duplicate 40"x50" print of the "Hogan of Old Lady Long Salt" from your 4x5 negative will cost \$75.00.

This will include a double weight print 40"x50", mounted on 1/4"x40"x50" masonite panel. This panel will be reinforced with 1"x2" wood back frame inset 2" all around. Edges of masonite will be finished with black lacquer and the print itself will be spotted and sprayed with clear lacquer.

An additional charge of \$35.00 will cover the cost of packing, crating and shipping by truck.

I am most pleased to learn our enlargements are being shown at the Institute of American Art.

You may be interested to know we recently produced a photo exhibit on "Ishi" for the Oakland Museum.

I find this type of work most enjoyable and worthwhile and look forward to doing more of it/

Cordially yours,

Irwin Welcher
