

Dear Laura;

Helen Cahusac sent us word about Miss Betsey's passing this morning.

We know all the old tired clichés about "It's better for her," etc. But the fact remains that when has loved & cared for someone even half as long as you did, there's a big hole left.

Take care of yourself, now. Get back to work even if you don't feel like it. And if you want company & a change, come here.

Affectionately,

Alice & Carol
