Dear Miss Gilpin:

Since our first year for the tours will officially end effective October 28, 1972, we wish to thank you for the assistance you have given us in hosting the tour groups. We have received numerous compliments on your wonderful performances.

You are probably aware of the financial status that we are in. Our future tours depends solely on re-funding.

Your assistance is greatly appreciated.

Sincerely,

*Marie R. Bebout*

Marie R. Bebout,  
Acting Tourism Dir.
