Dear Ms Gilpin,

Hope this letter finds you in good health. You should receive shortly the photograph you wanted of mine - unmounted (as I recall - blue-grey mountboard didn't sit well with you).

I would like you to quote me a price on the photograph of yours that I like very much - Garden of Ede in Colorado.

Also - you said something about forming a school with Mr B. Whell - is anything happening? I would like some information

if something is coming about.

I want to thank you again
for ^{your} time and comments on my photographs
this past summer.

Take care -

Shalom,
Neal Berlin
