Dear Laura,

I am advising the Lincoln Rochester Bank on the development of a collection of 20th century photographs by major photographers. The some 125 prints will be displayed in a gallery being incorporated into a new building now under construction.

I would like to recommend that two (2) of your prints, size 11 x 14-inch, be included in this important collection. The two I have in mind are of the Navaho family in "The Covered Wagon" and the "Silversmith at Work in 1934" reproduced on page 139 of your beautiful book "The Enduring Navaho".

What do you charge for prints of this size?

I look forward to seeing you this fall. I understand Ansel had a very nice visit last week.

Sincerely,

F. Van Deren Coke
