Dear Miss Gilpin:

Dr. Hatathali will be unable to attend the dinner. He had a prior engagement to speak at the University of Colorado. He asked us to extend his congratulations and to tell you he would have been honored to make the presentation to you.

Due to printing deadlines, we have taken the liberty to ask Gov. Bruce King to present the award.

Enclosed are two couples tickets for guests you may wish to bring. Please let us know how many guests will be attending the dinner so that we can reserve places for them. Under separate cover we are sending 25 invitations as you requested.

Sincerely,

CECELIA DANIEL
