Dear Laura:

On September 16 we will be opening a new show at the gallery. As a result, we shall have to reduce the amount of space devoted to your photographs. As I mentioned when we first discussed this venture, however, I do want to represent your work here on a continuing basis, and I hope that you will allow Camera West to retain some or all of your photographs for exhibit and for potential sale.

If I do not hear from you before September 12, I shall assume that we may retain the work we have, and shall plan to exhibit as much of it as there is space available. If you want to withdraw some or all of it, please let me know before then. Whatever you withdraw can be picked up on the fifteenth or thereafter.

And if you have some new work that you would like to substitute for the old, I'll be glad to have it too! I truly appreciate your participation in our first venture, and hope this association will continue beyond our present teething stage into the future.

Regards,

Peter Dechert

This is pro forma! What I'd like to do, if you agree, is exhibit the prints which have so far been in reserve. But I'll do anything you think best—
