Miss. Laura Gilpin:

Repairs that were needed on your Medakist II
Serial #39490 Lens # ES 548.5 to put in G. W. O.

Repaired Shutter (flash lever for "M" Synch broken
and shutter speeds were slow)

Repaired Range Finder (not reacting $3\frac{1}{2}$ ' and
top field dark)

Repaired film transport (automatic film wind
out of Synch & shutter setting sticking)

Cleaned & lubricate focus tube, refitted and
adjusted Acc. Back, installed new film counter
housing, recovered trigger housing

the above repairs come to \$60.00

Paid By Check 35.00

Balance Due \$ 25.00

I performed the repairs assuming that you
wanted the Camera in G. W. O. and to save time
of sending you an estimate and waiting for a reply

Sincerely

Stephen Federator
