Dear Laura Gilpin:

I am so happy I could get in touch
with you about your fine picture of Isabel
Suhman.

I will, of course, give you full credit in
the book which is coming along very well.

You must send me the bill for any ex-
pense connected with it.

Helen Gentry is designing the book.
This is the last photo we are including.
Could you phone her - 982-0677 - when
it is finished and she will pick it up. Perhaps
you know her?

I thank you so much -

Sincerely, Joseph Foster
