Dear Dr. Agnew:-

Again I want to thank you for your note, and for the honorarium for my part at your banquet at Los Alamos Monday evening. It was my pleasure to show my slides of the Navaho and the Southwest to such a distinguished assembly, and I hope it gave them some idea of our country and our Indian Friends.

My association with Los Alamos goes way back to the days of the Boys School, and Dr. & Mrs. Rosen were the very first members of the Scientific Laboratory whom I had the pleasure of knowing.

Again my thanks for all your many courtesies and help for my part of your program,

Most sincerely
