Gentlemen:-

Will you please send me the following information;

Deardorff 4x5 camera new.
weight of same with and without lightest case.
cost and size extra lens boards
new holders for same.

Also, Deardorff 5x7 camera (new) with 4x5 back also.
weight of same without case and also with.
size and cost extra lens boards.
new 5x7 holders.

I am needing new equipment for an outdoor project and weight is important to me. Am undecided about which size to order. I would appreciate all possible information. Weight and compactness will be important also.

Very truly yours,

Laura Gilpin.

I would appreciate the name of a salesman handling this equipment in case I wish to communicate by phone.
