Gentlemen:-

The camera case which I had ordered from you finally came on Sept 2nd. I am having to return this as it will not hold the revolving back as well as the 5x7 Deardorf came itself. In addition also, when this case is full with holders of both sizes, it would be too heavy for me to carry. Therefore I shall have to find two smaller cases which will hold all my equipment.

The case is being packed and will be shipped back to you to-day. Will you credit my account with the \$40. for the case and send me instead, six new 5x7 film holders.

The case you sent would hold the 4x5 back but not the revolving back which is much thicker.

Thanking you for your attention, I am

Very truly yours,
